

Sally is a Pastoral Assistant and member of the Parish Council. She is also Parish Secretary and Treasurer and, in her spare time, makes marmalades and jams for sale through the Mustard Seed op shop. In real life she was a personal assistant for the managing director of an international computer leasing company in the UK for many years as well as having run her own company in earlier years. She and Chris are avid long distance walkers having walked in the US, Canada, the UK and Australia. Their longest walk was the Bibbulmun Track but other walks have averaged about three weeks in duration.
